END OF YEAR ASSESSMENT TEST 2025
HISTORY AND POLITICAL EDUCATION
S.2

Time: ***1 Hours: 30mins***

INSTRUCTIONS:

- The paper contains ***two*** items.
- Attempt ***all the two*** items from the paper.

ITEM 1

It has become a habit especially among the youths of today that every time their parents pass on, they go for the properties their parents have toiled for so long especially land and sell them off and eat the money in a very short time and remain in this world to suffer after failing to value land. Last year your friend's parents perished in a fatal road accident and left him with a lot of land and other properties, he has asked you to look for clients because he wants to start selling the land in plots he has chopped already.

Task 3

Convince your friend who wants to sell the land to instead value what he has and utilize it to become rich.

ITEM 2

During the 19th century trades, East Africa received a couple of traders who came from different parts of the world. These people came with different ideas and beliefs that contributed to the development and expansion of that day's trade links and relations. However, due to many factors, wars and introduction of Christianity inclusive, these trades finally declined on account of many other factors.

Today, modern trade links and relations have greatly caused international trade agreements and creation of international trade unions among others which has strengthened and improved trade ties and prevented it from total decline like 19th century trades. East African traders have been left in confusion wondering the level of growth and expansion even when they are directly participating in this trade.

As a way of bridging the gap between traders and the unions and keep participants informed, the ministry of trade has embarked on sensitizing all traders in Uganda and after that, they will meet other delegates from Africa to continue sensitizing the masses about the factors for which modern trade links, associations and unions have become stronger than the 19th century trades.

Task.

You are invited to be a panelist in this sensitization drive. Write a well-researched speech which you will use to educate the traders about:

a) the factors which have led to the growth and expansion of modern trade links to become stronger that the 19th century trades that declined.
b) ways in which the 19th century trades have affected the peoples of East Africa today.

WISHING YOU MERY CHRISMAS AND PROSPEROUS NEW YEAR 2026.
