

REGINA PACIS HIGH SCHOOL
END OF TERM TWO ASSESSEMENT
PHYSICAL EDUCATION PAPER ONE
SENIOR TWO

DURATION : 1HOUR AND 30MINUTES

INSTRUCTIONS.

Attempt two items

1. At the beginning of second term, many students reported with big sums of pocket money. For that reason, many of them could not go for school meals instead they could buy processed canteen eats like soda, biscuits, fried eats and energy drinks. Many of them become obese, while others underweight. For this reason, the school has organized a guidance and counseling session to help students understand the foods they should eat to stay healthy.

TASK

Prepare an organized presentation to sensitize your fellow students

1. Okello is a male netballer who joined a certain school recently. However, during play and execution of the sport skills, he is mostly trapped off by the umpire. Due to that, Okello has tried to make his team win but with fail.

TASK

Explain to Okello the rules about the above mentioned game and the skills involved in it so as to overcome the problem in the next competition.

2. Having taken three weeks without going to the soccer pitch and netball court for play and doing games, a group of boys and girls started to dodge lessons and losing interest in attending lessons of PE

TASK

Make a hand written presentation you will use to sensitize the above group of students ensuring that they get to know how wide or broad PE is. Help them know and understand that PE is not only about games.
